

YMCA OF GREATER BRANDYWINE

NO PLACE LIKE THIS PLACE

For 175 years, the YMCA has helped define what community means in America. We don't just respond to needs—we anticipate them. We build connections, nurture health, and spark belonging. We are builders. Innovators. Believers in what's possible when people come together.

“ The YMCA shows what's possible when community and compassion meet innovation. The programs and services offered by, and the partnerships offered through, the YMCA are vital to Chester County's health and economic stability” – State Senator Carolyn Comitta

IMPACT AT A GLANCE

» IMPACTING TODAY. EMPOWERING TOMORROW.

The **COME AS YOU ARE PLACE** – At the Y, belonging isn't an idea – it's a daily practice.

The YMCA creates spaces where every person feels welcome, supported and valued – because strong communities start with inclusion.

- More than 111,700 individuals served across Chester County and King of Prussia, PA.
- Inclusive, income-based membership options, ensuring access for every household.
- Adaptive and behavioral support opens doors to all abilities and needs.

The **BUILD WHAT MATTERS PLACE** – We don't wait for the future to arrive, we build it.

From technology to wellness and from workforce development to health interventions, we are redefining what community health means in the modern age.

- Fit Truk, our mobile wellness hub, extends our YMCAs beyond our walls and delivers fitness and preventative care directly to underserved neighborhoods.
- Medical Fitness Facility Certification positions the Y at the intersection of healthcare and community well-being.
- Youth Development programs prepare today's youth to be tomorrow's workforce and future leaders.
- EVOLT body scanners and EGYM smart equipment deliver next-generation wellness experiences.

The **FOR ALL PLACE** – Access isn't charity, it's the foundation of a thriving community.

We break barriers so that families can work, children can grow and seniors can stay connected.

- \$2.6M million in annual financial assistance opens doors for all.
- Partnerships with CHOP, West Chester University, Franklin Institute and ChristianaCare expand health equity and community reach.
- Programs for seniors and families ensure every generation has a place to belong.
- A true multigenerational meeting ground — where families grow together, seniors cross paths with toddlers, and young adults mentor the next generation.
- Most YMCA positions are accessible without a college degree, with robust training and advancement opportunities.

The **LEGACY PLACE** – 175 Years Strong

For 175 years, the YMCA has been building stronger, healthier communities—and we're just getting started. Pennsylvania is home to more YMCAs than any other state, with more than 50 locations and serving over 800,000 individuals each year.

- The first YMCA in Pennsylvania was founded in Philadelphia in 1854.
- YGBW began its journey in Coatesville, PA in 1894 and now leads across Chester County and beyond with nine total locations and services in 16 school sites.

The YMCA of Greater Brandywine is more than a gym. It's a public good, a community partner and a trusted innovator – offsetting public costs, building healthier and stronger families and creating opportunities for all. Every dollar invested in the Y multiplies in community benefit – fueling growth, belonging and hope.
