

When you join East Chestnut CrossFit, you don't only receive unlimited CrossFit classes. You also receive a YMCA Membership which includes unlimited access to hundreds of group exercise classes, indoor and outdoor swimming pools, state-of-the-art fitness centers, free babysitting while you work out and reduced rates on summer camp, childcare, swimming lessons and more.

And perhaps most important of all, you're joining an organization that supports the programs and values that strengthen our community. Every day, the YMCA provides financial assistance to thousands of people in our community to ensure all have access to the YMCA. We also teach kids how to be safe in and around water to prevent drowning, offer summer programs designed to close the achievement gap and much more. **Join today!**
