

Chester County Hospital COVID - 19 DONATION CENTER

Thank you for your support of Chester County Hospital's efforts to combat the Coronavirus (COVID-19) outbreak.

Health care workers at the hospital have the gear they need to protect themselves and others as they care for patients with COVID-19. But with the number of COVID-19 patients expected to rise in the coming weeks, we are asking for the community's help in donating supplies now to ensure we are prepared.

Beginning
Monday March 23rd
9 AM - 5 PM

*Continuing daily until further notice
Please, no after-hours drop-offs*
