### **Welcome to Summer Camp 2022!**

For more than 113 summers, the YMCA of Greater Brandywine has helped kids enjoy their summer through our core values: caring, honesty, respect, and responsibility. For kids, YMCA day camp is a fun way to enjoy the summer and for parents, it's a way to give children a positive experience that builds character. In YMCA day camps, kids have fun making new friends, learning new skills, and growing in self-resilience.

Communication and parental involvement are essential for a positive camp experience. Please make every attempt to read the literature posted at your child(ren)'s camp site, electronic newsletters and any information that is sent home. Your understanding and cooperation with camp policies will ensure a smooth summer for all of our children.

This guide provides useful camp information. If you need additional information, have questions or would like to discuss your child's camp experience, please feel free to contact the camp program director. We look forward to serving your family this summer!

## **BEHAVIOR MANAGEMENT**

The YMCA of Greater Brandywine has a behavior management plan that we utilize in all of our programs throughout the association.

Listed below are the steps utilized by our staff when behavior expectations are not met:

- a. Verbal warning given: reminder of rule/expectation.

- c. If repeated behavior occurs, verbal communication between parent and program staff with written notice of incident(s).
- d. If repeated behavior occurs, a parent conference with activity staff and program director, followed by a written summary of meeting. Child, parent and staff sign a written contract agreeing to acceptable behavior and alternative solutions, and consequences if behavior does not improve. Executive director is also notified of incident and meeting.
- e. If inappropriate behavior continues, child may be suspended from program for anywhere from one day to one week. A parent conference with program staff, program director and Association Behavioral Specialist will be required prior to return to the program.
- f. Prolonged disruptive and inappropriate behavior will result in dismissal from programs at the YMCA of Greater Brandywine.

### **EXTREME BEHAVIOR**

In extreme cases, a child's behavior, may warrant immediate suspension or expulsion from the program. Such cases include the use of profane or abusive language, any intentional physically aggressive behavior towards other participants or staff, and any unsafe behavior that affects the safety of themselves and/or others.

### **FIELD TRIP BEHAVIOR**

The YMCA behavioral management guidelines and site-specific policies are effective during all field trips. If the child(ren) is misbehaving at an off-campus site the parent/caregiver will be asked to pick up the child(ren) at the field trip location. Field trips are a privilege and can be revoked at any time due to behavioral issues.\*

### **CODE OF CONDUCT, BABYSITTING**

The YMCA of the Greater Brandywine Staff Code of Conduct prohibits staff from babysitting or transporting any program participants. Please refrain from asking our staff to babysit or transport your child.

### **REFERRAL TO OUTSIDE AGENCIES**

From time to time, because of behavioral or developmental concerns, a camp leader may ask a parent to seek evaluation or assistance from another agency (ie- Intermediate unit or human services). If the parent refuses or does not follow through, we may have to release the child from the program.

### **RELATIONSHIP BETWEEN FAMILIES AND STAFF**

The YMCA believes that the best way to ensure a great camp experience for your child is for parents and staff to have a relationship with the best interests of your child in mind. We want to work together to learn about your child. Please come to the director and/or camp staff with any questions or concerns. The staff treat families and visitors with professionalism, and we ask that they be treated in the same manner. Behavior that is inappropriate, disrespectful, threatening or abusive in nature will not be tolerated.

## **CLOSINGS/EMERGENCY PROCEDURES**

### **EMERGENCY CLOSINGS**

Should severe weather conditions or other emergency situations arise during the time of Summer Day Camp operation, the executive director, camp lead, or designated person will determine what action is to be taken. Should it be determined that the camp is to be closed, all will be advised as soon as possible for immediate pick up.

## **EMERGENCY PROCEDURES**

All emergency drills are recorded and reviewed to achieve the best possible results in the event of a real emergency. Any real events are recorded and reviewed to ensure the best possible response in subsequent events. Procedures have been developed for emergency evacuation. Staff is trained in procedures for evacuation due to unforeseen emergencies and procedures are posted.

### **FIRE DRILL**

Fire drills are completed monthly. Sometimes the drills are silent for child care only and sometimes they are full building. An alarm is heard and the staff and children proceed in an appropriate manner to a designated meeting place. A record of drills is kept on file noting the date, time and length of drill.

### **LOST CAMPER DRILLS**

Drills are completed several times throughout the camp season. Camp staff are trained in the appropriate procedures for each site and review the procedures with campers prior to the drill.

### **TRANSPORTATION EMERGENCY PROCEDURES**

Campers are briefed in emergency procedures prior to each field trip or transportation event. The staff have been trained in emergency procedures and reports any event to the camp leader and the parents of the children involved.

### **MEDICAL EMERGENCY PROCEDURES**

In case of an accident, the following emergency procedures will be followed:

***PLEASE CHECK OUR WEBSITE FOR ADDITIONAL SAFETY PROTOCOLS***

***[www.ymcagbw.org](http://www.ymcagbw.org)***

## **HEALTH, ILLNESS, INJURY AND ACCIDENTS**

### **ILLNESS POLICY**

We ask that you keep your child at home if he/she is sick. Many communicable diseases start with cold-like symptoms. The YMCA asks to be informed of the nature of any illness, especially when it is communicable to others. If, at any time, the staff feels that your child is too sick to remain in the program, you will be called. You, or someone you designate who is authorized on your child's registration information for pick up, must pick up the child within one hour of receiving the phone call. This policy is for the safety of all of the children and the staff.

Your child should not be sent to camp, and will be sent home, if any of the following conditions are apparent:

- A temperature of 100.4 degrees or more within 24 hours
- Vomiting or diarrhea
- Rash (if cause is unknown)
- Suspected communicable disease
- Severe cold with fever, coughing, unclear mucus
- Bronchitis or other throat infections such as strep
- Nits or lice in hair

Parents, please notify us within 24 hours if your child has a communicable disease, such as chicken pox, pink eye, strep throat or lice so that we can inform other parents and staff. Your child is welcome back to the program with a note from the doctor or reasonable evidence of recovery.

### **INJURY & ACCIDENT PROCEDURES**

It is necessary that you keep the YMCA up-to-date on telephone numbers, emergency numbers, and other pertinent information. In the case of minor injury, staff certified in first aid procedures will administer first aid and the parent will be contacted. An Incident report will be completed by the staff person on the site at the time of the accident. Parents may be asked to pick up the child depending on the nature of the injury and the child's reaction to being injured.

If your child is severely injured while attending the YMCA program, the staff will take whatever steps are necessary to obtain emergency medical care. We will make every attempt to contact you or your designated emergency contact first. If we cannot make contact, we will have the child transported to an emergency room in the company of a staff member and will provide the hospital with as much information as possible from your child's camp file. We use the nearest hospital. If you prefer a specific hospital, we will do our best to honor this request, however the ultimate decision will be made by the EMT's.

### **MEDICATION POLICY**

A copy of a doctor's order (prescription) and a completed medication form must be submitted prior to the administration of all medications.

All prescription medication must be in its original container with the pharmacy label intact, with your child's name, dosage, doctor's name and phone number, date the prescription was filled, expiration date and specific instructions for administering and storing the medication. You may want to ask your pharmacist to divide the medication into two bottles; one to be kept at home and one to be kept at camp. Medication(s) must be signed in and out each week. We will not keep medication for the entire time your child is with us. This includes all over the counter medication.

Over the counter medication will only be accepted if it's in its original container. Parents must provide detailed information on dosage from a physician.

### **Nut-Free Policy**

We recognize food allergies can cause serious, life-threatening conditions for some children in our camp program. Our nut free policy dictates that no food will be permitted in our program if it contains tree nuts, peanuts, or peanut butter in the ingredients or indicate they were manufactured in a plant using nuts.

To further reduce the risk of exposure, children will be required to wash their hands upon arrival and any time after eating. All camp staff will follow the same rules as the children in regard to food ingredients and hand-washing. The Y believes the health and safety of our children is a collaborative partnership with our families involving prevention, education, communication and the development of food allergy action plans for all children with allergies.

### **ALLERGIES**

When filling out the camp registration forms, please be sure to specify if your child has any allergies to food or materials (example: latex). Please ask for an Allergy Action Plan to fill out if your child has allergies. If your child requires an EpiPen due to severe allergies please provide at least one Non-expired EpiPen to keep in the camp area.

You will also need to fill out a medication log form to be kept with the EpiPen. It is the parents' responsibility to ensure that new EpiPens are given to the camp director when existing EpiPens expire. Parents are also responsible for the disposal of used EpiPens. It is our policy that if your child is prescribed an EpiPen and it is used in response to an emergency situation, paramedics will be notified immediately.

### **INSECT REPELLANT**

Application of insect repellent is necessary for children who will be in an area that is wooded. Some camp sites are located in a wooded area, so please be sure to apply insect repellent and tick repellent each morning prior to your arrival at camp. Parents are notified of trips that would require the application of insect repellent and will be asked to supply the appropriate repellent with the child. If the site has a likelihood of ticks on the location, parents are encouraged to apply tick repellent to the child's socks, avoiding skin contact and check for ticks upon return from camp. Parents will children under the age of six will be required to complete a medical release form in order for YMCA staff to apply repellants.

## **SUNSCREEN POLICY**

Parents should apply sunscreen prior to attending camp or other program where the child will be exposed to the sun. Each child is required to bring their own sunscreen. YMCA staff will assist with sunscreen application, however staff will not apply sunscreen to children.

## **DAY CAMP STRUCTURE**

### **Daily Schedules**

Weekly/Daily schedules will be provided by the camp staff each week via newsletter. Newsletter will be sent the Thursday prior to the week of camp. Contact the Camp Director with any questions.

Daily activities vary from camp to camp and week to week, but the typical daily components include: Opening/Closing ceremonies, small group time for each age group and their counselors, large group or all camp activities (Special events), lunch, quiet time, and activity periods. The camp programs include, but are not limited to: games, sports, drama, swimming, arts & crafts, cooking, music, outdoor living, science and nature, academic enrichment activities.

### **GROUP AND ACTIVITY PROGRAMMING**

Campers are grouped with peers of similar ages and participate in the majority of camp activities with this group. This group will have the same counselors with them for the week. This allows the counselors to get to know each camper. For specific activities, such as swimming, the campers will be divided into groups by ability. This allows the camper to progress more quickly when grouped with campers of the same skill level.

### **SUPERVISION POLICY**

Supervision is one of the key requirements in the prevention of accidents, injuries and/or any harm occurring to a child within our YMCA camp programs. Camp staff must have the ability and skills to assess potential risks during supervision and be able to implement changes to supervision to avoid accidents, injuries or harm. For this reason, all YMCA staff are to be diligent, adhere to and implement the components of the YMCA of Greater Brandywine Supervision Policy at all times for preschoolers and school-age children within care- whether on or off YMCA sites. Children in camp shall be supervised at all times according to state mandated ratios for each particular age group. Ratios change for swimming and for mixed age groupings. The phrase "supervised at all times" means that each staff person shall be assigned the responsibility of supervising specific children.

## **STAFFING**

### **CAMP STAFF QUALIFICATIONS/TRAINING**

Supervisors and site directors have degrees in education or related fields and have the required number of years experience working with children according to DHS qualifications. Our college aged counselors have experience with children and many are taking class in child care, physical education art, or related fields.

The YMCA of Greater Brandywine ("YMCA" ) embraces values and beliefs which support and reflect the inclusion and appreciation of all individuals, regardless of race, color, physical or mental ability (including use of a guide dog, hearing dog or service dog), religion, creed, medical conditions, sexual orientation, gender identity or expression, national origin, ancestry, nationality, age, veteran status, marital status, domestic partnership status or any other protected class under federal, state or local law. We are proud to be an equal opportunity employer and provider of services to the community.

### **Nondiscrimination in the Provision of Services to Persons with Disabilities**

As a place of public accommodation, the YMCA is proud to serve a diverse community of individuals, including those with disabilities. The YMCA works with prospective and current participants with disabilities, and/or their parents/guardians, to ensure that individuals with disabilities are offered full and equal enjoyment to the YMCA's goods, services, facilities, privileges, advantages and accommodations.

The YMCA does not discriminate in the provision of services to individuals with disabilities, including children with diabetes, in any YMCA programs including, but not limited to, childcare, camps, before and after-school programs, classes and recreational programs. Accordingly, the YMCA will not exclude individuals with disabilities from enrollment. The YMCA also will not impose or apply eligibility criteria that tend to screen out or screen out individuals with disabilities.

Prospective or current participants with disabilities, and/or their parents/guardians, may, at any time, request modifications to the YMCA's policies, practices and procedures and/or request auxiliary aids or services. Reasonable modifications and auxiliary aids and services can be wide-ranging. A few examples include: working with children who have diabetes to administer the necessary care they need, allowing a program participant to have a service animal, and providing sign language interpreters. All requests for modifications or for auxiliary aids and services should be directed to the applicable Program Director, the Branch ADA Compliance Officer or the Association Office ADA Compliance Officer.

Program Directors may be reached in person or by calling the Branch's main telephone number and asking for the Program Director. Contact information for Branch ADA Compliance Officers is located at [ymcagbw.org](http://ymcagbw.org) under the "About Us" tab.

The YMCA works with prospective or current participants in our programs, and/or their parents/guardians, to promptly address all requests for modifications to the YMCA's policies, practices and procedures and/or for auxiliary aids or services and to determine what reasonable modifications and/or auxiliary aids and services are available. Our goal is to ensure that all participants in our programs with disabilities have access to the full and equal enjoyment of all YMCA programs. Accordingly, the YMCA conducts individualized assessments on the specific facts of each request and will not apply a general prohibition against providing particular types of reasonable modifications. The YMCA will make reasonable modifications for individuals with disabilities, including children with diabetes, unless the request for modification amounts to a fundamental alteration of the applicable YMCA program. Similarly, the YMCA will provide auxiliary

aids and services for individuals with disabilities, unless the request for the auxiliary aids or services creates an undue burden or amounts to a fundamental alteration of the applicable YMCA program. The YMCA prohibits retaliation against any individual for exercising their rights to request and/or receive a modification to the YMCA's policies, practices and procedures or auxiliary aids and services. The YMCA further prohibits retaliation against any individual who in good faith participates in any investigation or proceeding related to a request for modification to the YMCA's policies, practices and procedures or auxiliary aids and services.
