

YMCA of Greater Brandywine Nondiscrimination Policy

The YMCA of Greater Brandywine ("YMCA") embraces values and beliefs which support and reflect the inclusion and appreciation of all individuals, regardless of race, color, physical or mental ability (including use of a guide dog, hearing dog, or service dog), religion, creed, medical conditions, sexual orientation, gender identity or expression, national origin, ancestry, nationality, age, veteran status, marital status, domestic partnership status, or any other protected class under federal, state, or local law. We are proud to be an equal opportunity employer and provider of services to the community.

Locker Room Policy: Members and Guests may use the locker room and/or restroom that matches their gender identity. For those who prefer more privacy, we have personal changing rooms available.

Nondiscrimination in the Provision of Services to Persons with Disabilities

As a place of public accommodation, the YMCA is proud to serve a diverse community of individuals, including those with disabilities. The YMCA will work with prospective and current participants with disabilities, and/or their parents/guardians, to ensure that individuals with disabilities are offered full and equal enjoyment to the YMCA's goods, services, facilities, privileges, advantages and accommodations. The YMCA does not discriminate in the provision of services to individuals with disabilities, including children with diabetes, in any YMCA programs including, but not limited to, childcare, camps, before and after-school programs, classes and recreational programs. Accordingly, the YMCA will not exclude individuals with disabilities from enrollment. The YMCA also will not impose or apply eligibility criteria that tend to screen out or screen out individuals with disabilities.

Prospective or current participants with disabilities, and/or their parents/guardians, may, at any time, request modifications to the YMCA's policies, practices and procedures and/or request auxiliary aids or services. Reasonable modifications and auxiliary aids and services can be wide-ranging. A few examples include: working with children who have diabetes to administer the necessary care they need, allowing a program participant to have a service animal, and providing sign language interpreters.

All requests for modifications or for auxiliary aids and services should be directed to the applicable Program Director or the Association Office ADA Compliance Officer. Program Directors may be reached in person or by calling the Branch's main telephone number and asking for the Program Director. The Association Office ADA Compliance Officer, Terri Edgar, may be reached at tedgar@ymcagbw.org, 610-643-9622.

The YMCA will work with prospective or current participants in our programs, and/or their parents/guardians, to promptly address all requests for modifications to the YMCA's policies, practices and procedures and/or for auxiliary aids or services and to determine what reasonable modifications and/or auxiliary aids and services are available. Our goal is to ensure that all participants in our programs with disabilities have access to the full and equal enjoyment of all YMCA programs. Accordingly, the YMCA conducts individualized assessments on the specific facts of each request and will not apply a general prohibition against providing particular types of reasonable modifications. The YMCA will make reasonable modifications for individuals with disabilities, including children with diabetes, unless the request for modification amounts to a fundamental alteration of the applicable YMCA program. Similarly, the YMCA will provide auxiliary aids and services for individuals with disabilities, unless the request for the auxiliary aids or services creates an undue burden or amounts to a fundamental alteration of the applicable YMCA program.

The YMCA prohibits retaliation against any individual for exercising their rights to request and/or receive a modification to the YMCA's policies, practices and procedures or auxiliary aids and services. The YMCA further prohibits retaliation against any individual who in good faith participates in any investigation or proceeding related to a request for modification to the YMCA's policies, practices and procedures or auxiliary aids and services.
