

Y ACHIEVERS

TEEN WORKFORCE DEVELOPMENT

Empowering Local Teens

Through the Y Achievers Program, local teens set and achieve educational and career goals with mentorship, skill-building and workforce development opportunities. We equip teens with the tools, guidance and role models needed to succeed in higher education and beyond. All participants receive a FREE Youth Membership to support healthy habits.

Building Pathways to Success

Y Achievers provides hands-on experiences that prepare youth for the future, combining service learning with career exploration to develop leadership skills and a strong sense of community. Our program introduces career pathways - including entrepreneurship, college preparation, trade schools and vocational training - ensuring all participants are equipped to pursue their dreams.

Investing in Our Future

Y Achievers is FREE for participants and an investment for YGBW, costing \$35,879 to run this program at one branch for a school year.

- Personnel: \$25,792
- Travel/Training: \$2,765
- Operating Expenses: \$4,060

Your Support Matters

Your support helps ensure access to essential career readiness resources, preparing the next generation for a bright and successful future - while strengthening the future of our community.

The Data

\$35,879

cost to operate Y Achievers at one YGBW branch for one school year.

\$1 = \$7

Every \$1 invested in out-of-school-time programs saves our state nearly \$7 by reducing crime, violence and addiction.
